GOVT. OF MYSORE

Dear Mr. Vedavyasacharya,

I am sending herewith a copy of the letter No. 154/16/51/Q dated the 19th instant from the Head Quarters, 160 L of C Sub Area and a copy of its enclosure about the supply of food stuffs to the Civil Labour employed by the Military Contractors. The Director of Civil Supplies has said that the supply asked for cannot be made. A consolidated list of the requirements in this respect received from the Military Head Quarters is herewith enclosed for reference. When I discussed this question with the Military Head Quarters, they gave me to understand that the Government of India have definitely ruled that the supply of food stuffs to the Civil Labour employed on military works should be made by the local Governments. I understand that the Military authorities are not authorised to make any supplies from their stock for this purpose. In these circumstances, I would request the favour of your placing this matter before Government for consideration.

Yours sincerely,

V. Vedavyasacharya

Dear Sir,

Ref. our No. 154/16/41/Q, dated 17th Aug. 1943 and the attached copy of letter from the Director of Civil Supplies to our Canteen Contractors.

Is it possible for you to arrange for the Director of Civil Supplies to issue some of the foodstuffs to our Canteen Contractors.

We are having the greatest difficulty in keeping labour, and the labour that does stay has no food at all.

Yours faithfully,
